BDB Chairs Women Build 2022 Program Built Two Homes in Belle Glade

Women Build is an annual, worldwide event engaging women to support affordable, quality housing. Habitat for Humanity of Palm Beach County's Women Build 2022 built homes in Belle Glade for two women-led families, the Lane and Volmard families. BDB President and CEO Kelly Smallridge served as Honorary Chair of the local nonprofit's Women Build 2022.

In collaboration with ESPN West Palm Beach, the BDB partners on a "Business of the Month" program. Congratulations to our March 2022 Business of the Month, Jake Geleerd, President & CEO of Tortoise Properties!
